# Safety and Health Week Champion Program 2019

May 5<sup>th</sup> - 11<sup>th</sup>, 2019

North American Occupational Safety and Health (NAOSH) Week is an annual occupational health and safety celebration led by the Canadian Society of Safety Engineering (CSSE). Together with our national partners - the Canadian Centre for Occupational Health and Safety (CCOHS), Human Resources & Skills Development Canada's (HRSDC) Labour Program, the American Society of Safety Professionals (ASSP) and Threads of Life, we work hard to promote and advance the goals of Safety and Health Week.

It is our goal to focus the attention of employers, employees, the general public and all partners in occupational safety and health on the importance of preventing injury and illness in the workplace, at home and in the community.

As a Safety and Health Week Champion you will have the use of an electronic Safety and Health Week Champion logo to promote your commitment and support of Safety and Health Week. The various levels of support and the benefits of each are outlined in this brochure. We look forward to partnering with you to promote the important objectives of Safety and Health Week 2019!

# Safety and Health Week Champion Program 2019

## CHAMPION OPPORTUNITIES

There are four different levels of support available for the key aspects of the national **Safety and Health Week** program.

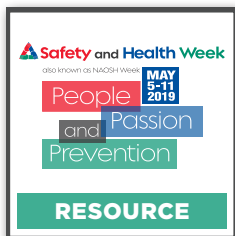

### **Safety and Health Week SUPPORTERS \$250**

Show your commitment to **Safety and Health Week!**

### **CATALYST Champions \$1,000**

Support the 2019 Canadian Safety and Health Week Launch Event in Saint John, NB! This event officially marks the beginning of **Safety and Health Week** with government officials, business leaders, dignitaries and occupational health & safety professionals from across the country.

### **RESOURCE Champions \$2,000**

Show your support by contributing to the **2019 Safety and Health Week Resource Guide!** The Guide is the cornerstone promotional document for **Safety and Health Week** in Canada and provides valuable information that encourages participation. The Guide provides event & activity ideas, sample press releases, background information, award winners, links to OHS resources and promotional products. It is available online to download by professionals and leaders in related professions and organizations. Information from the Resource Guide is also available to a wide audience through the **Safety and Health Week** website.

### **MOTIVATIONAL Champions \$3,000**

Show your support and recognize those who participate in **Safety and Health Week** by championing the **2019 Safety and Health Week Awards Program!** The CSSE offers four **Canadian Safety and Health Week Awards** in the following categories:

- **MOST** Innovative
- **BEST** Representation of the Theme
- **BEST** New Entry
- **BEST** Overall
